Ppt presentation

Ppt presentation is important.

Teacher student communication is important while teaching.

Experimental learnings

No more suggestions. All teachers are teach well.

Take regularly leactures

Use ICT tools and LCD

Very good,

Teaching should involve not just the first two or four students but the entire class. Digital machines should be provided. Attention should be paid to the holistic development of the students. The teacher should be able to relate to each student appropriately. A practical review of the course taught in the book should be given.

teaching & learning experience is good  
but exams fees collection process is very  
slow , so please work on this system
